**THE COACHING CLINIC® FOR  
SUPERVISORS AND LEADERS**

Part 1: The 2-Day Coaching Clinic® is a foundational and powerful leadership program based on research and developed by Coach U. The Coaching Clinic® trains individuals in the skills necessary to coach within the organization. The model can be implemented immediately to promote innovation, accelerate results, improve communication and team effectiveness.

Part 2: Ensure your team has continued results through the follow-up coaching plan. Utilize Leadership Coaching, Team Coaching, Implementation Groups for Supervisors, and Individual Observation and Feedback to strengthen implementation of a coach approach in supervision and leadership.
